

The screenshot displays the Informatica Data Integration Mapping Designer web application. The browser address bar shows the URL: <https://usw5.dm-us.informaticacloud.com/diUI/products/integrationDesign/main/mapping/6KkhlRV9Slkd5DTAFpdr8l/edit>. The application header includes the Informatica logo and the text "Data Integration". A left-hand navigation pane contains links for "New...", "Home", "Explore", "Bundles", "My Jobs", "My Import/Export Logs", and "Mapping1". The main workspace is titled "Mapping1" and shows a "Valid" status. The "Design" tab is active, displaying a flow diagram with three components: "Source", "Filter", and "Target", connected sequentially. A "Properties" panel at the bottom is open for the "Source" component, showing settings for "Connection" (ETLTest (MySQL)), "Source Type" (Single Object), and "Object" (Phones). Buttons for "View...", "New Connection...", "New Parameter...", "Select...", and "Preview Data..." are also visible. The bottom of the image shows a Windows taskbar with a search bar and various application icons.
